

NEW RANGER

TOUGH DONE SMARTER.

Better, smarter, and just as tough as ever. Introducing the next-generation **RANGER** bakkie. With a bold new design, built-in tools to get the job done smarter, and Ford's latest smart features, the **RANGER** gives new meaning to "intelligent design".

THE NEXT-GENERATION RANGER.

Strategically placed cameras. Ultrasonic sensors. Sophisticated radar. The new **RANGER** utilises them all to help keep you safer and in control.

Adaptive Cruise Control scans the road ahead and adjusts to the flow of traffic. Simply set your cruising speed. Your **RANGER** slows down when traffic does, and returns to your preset speed when traffic clears.

Stick to the speed limit with the Adjustable Speed Limiter. Set a maximum speed, and the system ensures you don't exceed it. Need to overtake a slow vehicle? Override the system by pressing the accelerator to the floor.

If your **RANGER** detects a possible collision, the Collision Warning Alert lets out a chime, flashes a heads-up display on the windscreen, and preloads the brakes for enhanced stopping power.

Lane Departure Warning alerts you by vibrating the steering wheel if you unintentionally move out of the lane. If you don't react, the Lane Keeping Aid applies steering torque to get you back on track.

SEE MORE

COMFORT OUT OF YOUR COMFORT ZONE.

The interiors of the next-generation **RANGERS** are durable, spacious, and have been crafted to reduce noise and vibration. Throw in leather seats*, seven airbags and a centre console with extra storage space, and you get a **RANGER** that's more comfortable, more functional, and helps keep you safer than ever.

*Leather seats are a combination of leather and high-quality, durable materials.

A dual TFT instrument cluster displays all types of vehicle information – from infotainment to performance – on a low-glare, high-quality flat screen.

Hello, Goodbye. Enjoy the ride. The new **RANGER's** interior lighting system illuminates to welcome you when you enter the vehicle, and helps you see more when you exit. You can also choose between seven ambient lighting colours that automatically switch on at night.

Built tough. Built safe. Seven airbags – including side and curtain airbags – along with a reinforced safety cell help make every journey a safer one.

STAY CONNECTED ANYWHERE, EVERYWHERE.

Work smarter. Play harder. Streamline your life.

Pair your mobile device to SYNC®2 to make calls, select music, and even have *text messages read aloud while you're on the move. It's totally hands-free, so let your fingers do the talking. View vehicle information and more on the upgraded eight-inch LCD touchscreen.

Connect more devices in more ways with SYNC®2 Media Hub. Use the USB ports or SD-card slot to access your music, photos and more.

Turn your new **RANGER** into a WiFi hotspot – simply connect your WiFi-enabled smartphone to SYNC®2 to create an internet access point for everyone in the car.

*Text-message feature is phone-dependent. Visit ford.co.za/sync to check device compatibility. Features differ per derivative. See specification sheet.

ENTERTAINMENT

MAKE LIGHT WORK OF BIG CHALLENGES.

The new **RANGER**'s ultra-high-strength chassis, torque-heavy engines and superior suspension will help you tow, haul and move with ease.

The new **RANGER** has been torture-tested in the real world to backbreaking extremes in the toughest climates and terrains. Combining an ultra-high-strength steel chassis with superior suspension design, it delivers a stronger, smoother ride. With its unbeatable 3 500kg towing capacity, Trailer Sway Control and a payload capacity of up to 1198kg, the new **RANGER** is tough enough for you to haul the most backbreaking of loads with greater confidence.

See more at night when loading or unloading with the new **RANGER's** loadbox working light.

BRAINS MEET BRAWN.

Packed with Ford's most ingenious technologies, the **RANGER** has set a new benchmark in the tough bakkie category.

Do more. Wherever the job finds you. The new **RANGER's** 230V power inverter lets you power electrical equipment, even in the middle of nowhere.

Auto headlights detect the changes in the natural light and turn on and off automatically.

Check individual pressure in each tyre with the Tyre Pressure Monitoring System. Not only will you be notified if any tyre's pressure is low, but the system will also tell you how low.

The new **RANGER** combines a rear view with front and rear parking sensors, so you can park in any type of space with greater confidence.

SEE MORE

CONTROL WHEN YOU NEED IT MOST.

The Electronic Stability Programme (ESP) is designed to help you avoid an accident before it occurs. The comprehensive programme aids vehicle control, and includes the following features:

- Rollover Mitigation** – reduces the risk of getting into a rollover situation.
- Hill Launch Assist** – helps you pull away on steep inclines.
- Hill Descent Control** – helps you stay in control on steep downhill grades.
- Trailer Sway Control** – provides stability and greater control when towing a trailer.
- Traction Control** – maximises traction and helps you avoid wheel spin.
- Adaptive Load Control** – automatically adjusts ESP parameters to match the load and ensure that all controls remain effective across different loads, or with no load at all.
- Emergency Brake Assist** – maintains maximum brake pressure in an emergency stopping situation.

BRING IT ON.

Take on whatever the world throws at you. From river crossing to challenging off-road terrain, the next-generation **RANGER** is ready for anything. **Unbeatable 800mm water wading** means a river won't easily come between you and the task at hand. **Mud, sand, and steep bumpy inclines** – the new **RANGER** conquers them all. eLocking Rear Differential locks rear wheels

together for maximum traction when driving on challenging surfaces or when it's difficult to keep both rear wheels on the ground at the same time. **4x4 Shift-on-the-Fly** lets you shift between 2WD and 4WD High mode and Low mode at the turn of a dial. The **237mm ground clearance** also contributes to the **RANGER's** ability to go more places with greater ease.

BIG POWER, SMALL APPETITE.

The heart of the new **RANGER's** superior durability and strength just got an upgrade. The **RANGER's** diesel engines deliver more than just big power numbers – they're more fuel-efficient than ever. So you can spend more time on the move, and less time at the fuel pump.

SEE MORE

2.5L

The 2.5i Duratec petrol engine puts out 122kW whilst delivering 226Nm torque. It uses variable cam technology for enhanced performance, fuel economy and reduced emissions.

1245kg max. payload capacity
1500kg max. towing capability
122kW power
226Nm torque

2.2L TDCi

An economical mid-power 2.2 TDCi engine is available in certain **RANGER** models, producing 88kW and 285Nm. Combined with the addition of EPAS and the use of a longer final drive ratio, the 2.2 Duratorq TDCi engine achieves up to 22 percent improvement in fuel consumption.

1142kg max. payload capacity
1600kg max. towing capability
88kW power
285Nm torque

2.2L TDCi

With more power, greater torque and improved fuel-efficiency, the new **RANGER's** upgraded four-cylinder 2.2L TDCi diesel engine pumps out the extra power you need to conquer any task.

1198kg max. payload capacity
3500kg max. towing capability
118kW power
385Nm torque

3.2L TDCi

The new **RANGER's** five-cylinder 3.2L TDCi diesel engine delivers the power and torque numbers you've come to expect from a **RANGER**, with improved fuel-efficiency over the previous year's model.

1164kg max. payload capacity
3500kg max. towing capability
147kW power
470Nm torque

COLOURS AND TRIM.

Complementing the **RANGER's** stylish design, and satisfying your personal taste, is a range of attractive colours.

Colours

Colorado Red (Solid)

Copper Red (Solid)

Ocean Blue (Metallic*)

Performance Blue (Metallic*)

Oyster Silver (Metallic*)

Frozen White (Solid)

Sea Grey (Metallic*)

Moondust Silver (Metallic*)

Panther Black (Metallic*)

Pride Orange (Metallic*)

Wildtrak only

Also available in Sea Grey, Panther Black and Moondust Silver (all metallic*), or Frozen White (solid).

Sports bar not standard.
*Metallic body colours are options at extra cost.

Note: The images used are to illustrate body colours only, and may not reflect the vehicle described. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

FORD CREDIT

As part of the Ford family, **FORD CREDIT** can offer a number of unique finance options to make owning a new or used vehicle affordable and simple. For more information regarding **FORD CREDIT**, speak to your Ford Dealer or go to www.ford.co.za/buying/ford-credit/home

FORD PROTECT

Genuine parts. Genuine service.

Enjoy years of trouble-free motoring and preserve the value of your new Ford by fitting only genuine Ford parts and accessories. Servicing your new Ford at a Ford Dealer will also protect you and your vehicle warranty.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully too.

Green

Using advanced Ford technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

Smart

Vehicles with smart intuitive technologies designed to connect your world, and many clever solutions from Ford that make life a little easier.

Business and Commercial Fleet Customers.

The Ford portfolio of products is growing rapidly to meet your business needs.

Please contact your local Ford Dealer for more information or visit our website at www.ford.co.za/fleet or alternatively email us at fleetsa@ford.com

Ford Protect

Ford **Protect** offers a holistic suite of service, maintenance, warranty and roadside-assistance products aimed at keeping your new **RANGER** in perfect working condition.

New Vehicle Warranty – Every new **RANGER** comes with a 4-yr/120 000km Comprehensive Warranty.

Service Plan – Every new **RANGER** comes standard (optional on base models) with a 5-yr/100 000km Service Plan, which covers all scheduled servicing except friction materials, i.e. brake pads and wiper blades.

Corrosion Warranty – Cover lasts for 5-yr/unlimited km.

Roadside Assistance – Cover lasts for 3-yr/unlimited km for mechanical, electrical, flat tyres, batteries, medical emergencies and towing, if needed, to the nearest Ford dealership.

New Vehicle Extended Warranty – An Extended Warranty may be purchased prior to the expiry of the 4-yr/120 000km New Vehicle Warranty, giving owners an extra 2yrs/80 000km of worry-free driving.

Consult the vehicle handbook, www.ford.co.za or your nearest Ford Dealer for more information regarding Ford **Protect** plans and products.

CO₂ & Fuel Economy Note: The declared fuel consumption and CO₂ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006 / ECE R101: 2005). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of real-life driving conditions. Note that the actual fuel consumption and emissions levels will depend on many factors, including individual driving habits, prevailing conditions as well as your vehicle's equipment, condition and use.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. Printed April 2016.
